NETWORK SHARE EXCHANGE ADVOCATE FOR GENDER EQUALITY

Project duration 1st April 2017—31st March 2021

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No. 741466.

Disclaimer — The views and opinions expressed in this document are solely those of the project, not those of the European Commission. The European Commission is not responsible for any use that may be made of the information it contains.

We are a network of national representatives from EU Member States and Associated Countries working as a platform to set the gender equality agenda until 2020 and beyond, through fostering policy coordination, best practice exchange, mutual learning and advocating for gender equality.

GET IN TOUCH WITH US

- Follow us on Twitter and our website.
- Contact us to arrange training or a webinar.
- Use our analyses and recommendations to push gender equality in research in your circles.
- Open your mind to gender equality in non-intuitive areas such as Open Science and Open Innovation.

WHY WE NEED GENDERACTION

To support each other. To share what works and what doesn't. No window dressing but real action for equality. To make research responsible. Not to lose talents.

YEAR 1 ACCOMPLISHMENTS

GENDER PRIORITY IN ERA NATIONAL ACTION PLANS AND STRATEGIES

We identified major differences among EU countries, and discussed policies and actions at a first mutual learning workshop.

GENDER TRAININGS

We have successfully delivered the first three webinars to NCP projects.

GENDER IN OPEN SCIENCE AND OPEN INNOVATION

We identified gender blindness in the OSOI policies, and delivered recommendations for action.

GENDER IN HORIZON EUROPE

We launched Policy Brief Series to provide recommendations to better address gender in the next Framework Programme.

GENDER IN INTERNATIONAL COOPERATION IN SCIENCE, TECHNOLOGY AND INNOVATION

We developed a checklist on how to tackle gender topics in bilateral and multilateral cooperation in research and innovation.
